

# ICTPD Online Professional Development

Are you ready for “The Digital Education Revolution”?

## Anywhere – Any Time!

**Effective** – ICTPD.NET provides comprehensive online learning resources to support teachers integrating ICT throughout the curriculum.

–:–

**Constructivist Context**– the resources provide comprehensive support for the effective use of ICT to improve teaching and learning in a constructivist context with a focus on practical, useful, enjoyable activities which enrich teaching and learning.

–:–

**Suitable for all** – resources are available for teachers at all levels of experience and confidence from complete beginners to experienced users of ICT.

–:–

**Introductory Modules** – cover topics such as use of the Internet, basic and advanced search skills, validating information and Internet safety.

–:–

**Later modules** – provide support for more advanced topics such as Web 2.0 Tools, concept–mapping, multiple–intelligences, brain–based learning and digital storytelling

–:–

**Affordable** – ICTPD provide 12 months access to the online resources plus access to Atomic Learning for much less than the cost of a single day of teacher relief.

–:–

**Just-In-Time** – the ICTPD Resources and Atomic Learning are available 24 hours a day every day of the year, wherever you are. Online tutors are available to help you.
